La Pergola

"Serious diners" gather at this "civilized" Upper East Side "white" where "inspired" cuisine is matched with an "outstanding" wine list; "impeccable" service and attractive decor allow its moneyed "local" regulars to easily accept prices as "mind-blowing" as the extensive "specials." Title

Hey! I've been to India recently! Follow my footprints!

Location

Beach of San Salvador

Location description

1492-10-12, 02:00: There was land in sight, but we waited till the sun rises. Me, Martin Alonso Pinzón and his brother Vicente Yáñez, were going ashore by boat featured with weapons, me unfolding the royal flag. We saw a landscape with green luminous trees, rich in waters and fruits. Numerous indigene assembled at the beach and all were NACKED!!!! They were friendly but...

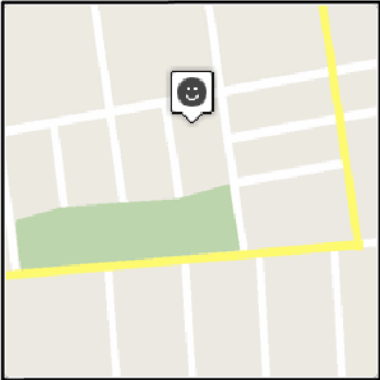

Opinions

 I liked this place too !

 What's your opinion?
