Birthdate: 15.04.1987 (26)

Location: Munich

Education level: University degree

About me

Hello everyone! I am Claudi, 26 years old from Munich. I study software engineering, and I love playing games of all kinds. I am not a typical geek though I love going out with friends and I dance (salsa and hip hop), go cycling, and I love swimming. I am very easy-going, and I am not looking for drama. So if you are laid-back and spontaneous, write me!

Hi Claudi! I saw your profile, and it made me very interested. It seems like you are sportive like me. Maybe we can go cycling together this weekend?

alois   2 days ago

Hey Alois! Haha, that sounds good :) I would love to go cycling this weekend. I know a very nice place close to the river.

claudi   1 hour agro

I agree! I will bring some snacks for the break afterwards (we will take breaks, right??? :)). I hope you like chocolate cake?

alois   2 minutes ago

Sounds very good! Pick me up at 2?
